

WORKSHEET FOR BIOLOGY MAJOR

Please complete this form by indicating the courses you have taken, or plan to take, and the semester and year of the course. Once completed, upload this form, together with the student information form, to our [Penn Box folder](#).

Once you've uploaded the forms, please set up a meeting with the [Undergraduate Coordinator](#) to review the forms and go over any questions you have. Once you've met with the undergraduate coordinator, your declaration request will be approved and you will be assigned to a faculty advisor.

Introductory Biology	Semester planned	Six Additional Electives for the Major	Semester planned
BIOL 1121	_____	BIOL _____	_____
BIOL 1123	_____	BIOL _____	_____
BIOL 1124	_____	BIOL _____	_____
Any BIOL 2xxx or higher	_____	_____	_____
OR		_____	_____
BIOL 1101	_____	_____	_____
BIOL 1102	_____	_____	_____

Physical Science, Math, Statistics, and Computer Science (4 CUs)	Semester planned
<i>Please indicate the 4 CUs you plan on taking:</i>
